Thank you for contacting fivestar- Bristol's premier discotheque company. Our website at www.fivestarentertainments.co.uk contains all the details you need to know about us. The fact that we have over two decades of experience and that we are the preferred provider of discotheques at two of Bristol's leading venues- namely Ashton Court Mansions & The Grand Thistle Hotel means that you can book with confidence!

Our booking fees are determined by the overall setting up and finishing times. We have invested thousands of pounds on the best audio / lighting equipment and transport available which means that for reliability and quality it is expensive to hire a professional Roadshow. If you then consider that to buy the entire Top 40 chart records today that would cost you near on £160 and a back catalogue of 4 decades of music then you are just beginning to understand the value of one nights entertainment!

We will leave it to your judgement what kind of professionalism you get from other organisations, Our essential playlist is just one example of how we try harder to please: you simply indicate your musical preferences and we will do the rest! One word of caution here though, ask yourself will your guests all share and enjoy the same musical styles as you? For this reason we do suggest a degree of spontaneous music to get people dancing. The reason why we invite you to input on the music is that even before the evening commences we know your preference in advance so we can incorporate this in your evening of entertainment where appropriate

In addition to Five Star, our sister company Soultrain were invited to host and present Bristol's original Soultrain show on Bristol's 107.3 The Eagle Radio at launch. Since the early 90's we have been responsible for organising the longest running and the biggest 70's Disco nights in the south west so know a thing or two about theme nights-see our website @ soultrain.co.uk for further information.

We have been the resident dj/discotheque supplier of disco's at Ashton Court Mansion since they opened their doors to the general public so have fulfilled hundreds of wedding engagements and black tie events which are our speciality thus presenting a wide selection of music to meet all taste

Once you have had the opportunity to browse our website naturally if there is any aspect that you may wish to discuss in more detail please ring Paul or Steve on the above telephone number, or e mail us. We will be only too pleased to assist you in any we can – our desire is to make your event a success.

When booking Five Star we ask that you return your booking form together with your deposit as soon as possible. Upon receipt we will confirm your booking in writing. We look forward to hearing from you.
